ELABORATE CEREMONIES TO MARK DEDICATION NAMING OF TWO DALY CITY PARKS SUNDAY

John Marchbank Gave 7-Acre Tract To Local People

Daly City Record copywright 6-3-41

Sunday this community is to do honor to a great American!

It will name a 7 acre park, valued at more than $50,000, in honor of the man who gave it to this community twenty years ago—John W. Marchbank.

Stranger than fiction is Mr. Marchbank's life story—more startling and adventurous than a great Hollywood drama—more amazing in accomplishment and service than an epic of a storybook hero!

Today, a Daly City Record reporter was permitted an exclusive interview resulting in a story long sought by newsmen, coveted by biographers, and of unusual interest to thousands of people by whom the name, J. W. Marchbank, has been spoken in quiet mystery, awe, and respect.

That story begins in frontier country, tells of a man who at the age of 18 refused a royal heritage and left a hospital with one leg amputated to pioneer, on crutches, the Klondike before the Alaska gold rush of 1898. That story reveals how Mr. Marchbank gained fame as a mining expert, planted a rubber plantation in South America, became king of American horsemen, and achieved fame throughout the United States as a great philanthropist. Of his own individual will and strength, he built enterprises so vast that from 1936 to the present date J. W. Marchbank has paid more than two and one-quarter million dollars in state and federal taxes.

The Record reporter sat in Mr.

Voters Go To Polls To Select Trustees

Voters in the Jefferson Union high school district will go to the polls, Friday, to elect one of two candidates to a position on the high school board of trustees.

Remi Sanders, incumbent chairman of the board, is running to succeed himself, while Peter Markovich is campaigning to replace Sanders.

Friday's school election will find the name of George R. Augustien, chairman of the element-

Fire Chief Discusses Effect Of Bond Issue

After the passage a week ago of the ordinance calling for a bond election, July, 1 to improve the Daly City Fire department, Fire Chief A. P. Chesney pointed out what effect these improvements would have on fire insurance interest rates.

"The national and Pacific coast board of underwriters are the men who set the rate you must pay on your insurance premium," said Chesney. "This is determined by a survey of your town to see what you have to combat a general conflagration. Credits are given in the following order: water supply, personnel, apparatus, alarm system, and the special

"Marchbank Park!"

At the dedication ceremonies, Sunday, the newly beautified park in Vista Grande tract will be named after Daly City's most illustrious citizen, J. W. Marchbank.

The dedication ceremonies, arranged by Henry Sundermann, councilman, and chairman of the day, will begin with a parade, starting at what is now Acton playground, at Acton and Brunswick. Most of the organizations in Daly City plan to participate in the parade. The playground will be dedicated by Councilman Edmund Cavagnaro, and will be named "Lincoln Playground."

The parade will travel to "Marchbank Park," where the dedication will be made by Sundermann. He will also give talks on the history of Daly City, and something of the biography of Marchbank.

The baseball game, which will immediately follow the ceremonies, has been arranged by Cavagnaro, who has taken a great deal of trouble to procure two "A"

SPECTACULAR AIR SHOT OF COMMUNITY'S LARGEST PARK

Daly City Record staff photographer, Dale Hovey, got this dramatic arial picture of the local park today. At dedication ceremonies, Sunday, the park will be named John W. Marchbank park in honor of its donor. Note how the huge 7 acre area stretches for a length of four city blocks. Lower left is ball diamond, center is club house, and white speck at top center is a granite cornerstone in the upper playground area.

MEMORIAL DAY PARADE PROVES GREAT SUCCESS

The Memorial Day parade was a resounding success! Its mammoth size and the variety and number of marching units represented reflected the many weeks of intense preparation on the part of B. J. Sendner and the members on the committee in charge of arrangements.

Old Glory Post No. 2044, V. F. W., sponsored the patriotic event, and must be given credit for a memorable achievement. The parade was the largest ever held in Daly City.

The man who kept the parade moving and on time was James G. Reardon, Daly City chief of police. On the roll of those contributing in a marked degree to the elaborate ceremony must be put the Daly City band, under the direction of George Brenner, which supplied the bright military music. Also to be credited are the Daly City Veteran fire department, and the regular fire department; the boy scouts; and many other of the local groups and organizations too numerous to mention. Not noted previously was Tommy Beeson, member of Sea Scout Ship No. 1, who was official bugler of the day.

Main speaker at the new park in Vista Grande tract was Captain Thomas P. Atkinson, provost marshal of the Moffett Field military police.

Sendner, his committee, and Old Glory Post No. 2044, V. F. W., wish to heartily thank all who took part in the parade and contributed to its success.

needs of individual towns."

The following letter was received by A. J. Bodien from Loren Bush, chief engineer of the underwriters.

"Your letter of February 18 regarding the contemplated improvements in Daly City and the proposed bond issue to provide these improvements has been read with considerable interest.

"An estimate of the grading of your city based upon these improvements has been made, and we estimate that the protection contemplated would warrant a reduction in the classification of Daly City from five to four. This would result in a seven per cent reduction of dwelling rates, from five to ten per cent reduction on mercantile rates, and an increase in the Average Clause credit of five per cent.

"This quotation is limited to one year from date, and I am sure it will give you the information desired to work out the value of these improvements on the fire insurance rates."

Chesney gave as an example a $3000 insurance policy. Upon this, one pays about seven dollars annually in premiums. A seven per cent reduction would mean a saving of 49 cents a year, according to Chesney.

For a larger policy the saving would be proportionately greater. "This saving would continue indefinitely," said Chesney, "while your payments on the bonds would cease at the end of ten years."

teams that will play a top-notch game.

The "Daly City All Stars" will play the Owl Drug team, a first-class San Francisco outfit. The Daly City team is coached by Albert Biggs, Jefferson Union high

Councilman Sundermann, Chairman Of The Day

school coach. The Owl Drug team is managed by Otto Olson.

Probable line-ups are as follows:

Owl Drugs: Race, Beck, Murphy, Baletto, Moticelli, Antrocoli, Ballestri, Baisa, Wetmore, Spirz, and Wilson. Daly City: Krohn, Ragghianti, Pfeifer, Walsh, LeKoff, Compagno, Schultz, Rettig, Petrocchi, Giusti, Poddig, and Lucia.

Invocation will be spoken at the park by Father Thomas Phelan, of Our Lady of Perpetual Help church.

To celebrate Daly City's thirtieth anniversary recognition will be given all "pioneers," who have been residents of this community for more than 25 years. They will be given badges, will be introduced to the crowd, and Sundermann will give a talk in "recognition" of their long stay in Daly City.

First Dog Shot

Bobby, an Alsatian dog attached to a crack French Zouave regiment as a messenger, was the first dog to be shot by the Germans on the Western front, according to a report received in Paris. His body was recovered and was buried with the following epitaph: "Here lies Bobby, a messenger dog, who fell on the field of honor while rendering service."

L. Merced Nursery Beautifies Park

Responsible for beautifying the bowl-like park in Vista Grande tract—now called Marchbank park—is Lake Merced Nursery, of which August Conci is proprietor.

Conci reports that up to the present, 1,656 trees have been planted, most of them Evergreen. When fully planted the park will have 4,700 trees. The east bank is planted with six varieties of plants, which when grown will be similar to the Golden Gate Exposition "magic carpet" of flowers.

The west entrance to the park is lined with Monterey pines, and Monterey cypress. In five years these trees will attain a height of 10 to 15 feet, making a windbreak. By the end of June the park will be completely planted.

Since November every tree has grown from one to two feet. The park has an area in turf alone of approximately 72,000 feet in the outfield and 7,500 in the infield. Into the diamond have gone 300 yards of loam, 100 yards of sand, 200 pounds of sulphate, and 135 pounds of seed, known as park lawn mixture.

Lions Club Hears Disaster Committeeman

The Lions club heard as guest speaker at their meeting, last Wednesday evening, Arthur Bodien, head of the Daly City Disaster-Preparedness committee.

Bodien described the work of his committee, which is a local spontaneous organization, designed to coordinate Daly City efforts in time of disaster.

The Lions will meet today at 12:10 p. m. at Ric's Place, Colma.

JOHN W. MARCHBANK

(Continued from Page 1)

Marchbank's modest Daly City office and noted biography from one of the West's most colorful figures, as the interview gradually unfolded an amazing picture of adventure and accomplishment.

J. W. Marchbank was born at Desable bay, Prince Edward island, British Columbia. Pioneering urge in his mother and father, Mr. and Mrs. John Marchbank, had led them to forgo the rich luxuries of English royalty and instead to pioneer in the California gold rush. They later went north to Prince Edward island, where Mr. Marchbank was born in 1869.

Young John William spent a robust childhood in British Columbia, getting his first horse-racing thrills in Cayuse contest with the Indians. (Cayuse are Indian ponies).

Entering manhood, Mr. Marchbank followed in the footsteps of his mining-expert father. In 1887 a mine accident at Warm Springs camp, fifty miles north of Spokane, Washington, sent him to a Spokane hospital.

He came out of that hospital with only one leg—and the determination to make good on his own. He refused lucrative legacies, the royal rank of a baron, and with a pair of crutches, a ten dollar note, and a lemonade cooler started on a career multi-studded with dozens of major accomplishments, any one of which could be justly termed famous.

On crutches, Mr. Marchbank pioneered the western slopes of British Columbia as a mining expert, even before the Canadian Pacific railway was built. Two years before the words, "Klondike Gold," electrified the world, Mr. Marchbank had gone over the Dyea pass and followed the ice down to the site of Dawson, which was then only a barren waste. Two Springs later Dawson and Fairbanks became great mining camps, overflowing with gold, liquor and hearty men. Flour sold for a dollar a pound and freight shipped at the same exhorbitant rate.

At Dawson, Mr. Marchbank opened "The Northern," a club heralded in story and legend as one of the brightest spots of the Klondike Rush.

Respectfully called "The Gambler," the man on crutches accepted the frontier interpretation of his title—one who does nothing wrong. He became known as a friend to the miner. Sharing his strong courage and giving financial aid, he sent many a man on his way to success.

The San Francisco era of Mr. Marchbank's life opened in 1903 when he came here by boat from Alaska. In the early days of the century, his name and enterprises were associated with such San Francisco Great as A. B. and Rudolph Spreckles, Frank Kelly, Keen McCumber, Thomas Fortune Ryan, Senator George Hearst, father of William Randolph, and other notables.

In 1906, Mr. Marchbank met Dr. Charles Jones, who became his secretary and closest friend. On the death of Dr. Jones, one of his daughters, Nadette Jones, became Mr. Marchbank's secretary and is still in his active service.

In 1906, Mr. Marchbank also met Miss Ella Porter, a former Boise, Idaho, girl. A San Francisco romance terminated in marriage, that Fall, at Redwood City. A fine lady, Mrs. Marchbank is today in as good health and as active as Mr. Marchbank himself.

When the United States entered World War I, Mr. Marchbank liquidated his enterprises, put his employees in the government service, and purchased whole blocks of war bonds.

Following the war, Mr. Marchbank gave the major part of his time to his greatest interest, horseracing. He acquired Tanforan Race track, brought horseracing back to California, and established famous Heather farm at Walnut creek.

This triple accomplishment and following endeavors have made Mr. Marchbank America's Number 1 horseman. He is the only man in the world to individually own and manage a major race track. His stud horses, War Cry, King Heather, Soleil du Midi, Xenofol and others at Heather farm have sired many a winner and are known in racing circles everywhere.

Mr. Marchbank has fostered many racing interests on the Pacific coast and has kept some of the finest strings of horses on American tracks. His office, where The Record reporter sat, is ringed with cups and trophies won by thoroughbreds who fought their way to the wire.

Mr. Marchbank turned the first dirt for the famous Mexican Agua Caliente track at Tijuana. He once opened a gold mine in Honduras, Central America. Pioneering the growth of rubber in South America, Mr. Marchbank developed one of the first rubber plantations in the Western hemisphere. On the Amazon river in Brazil in 1919, he developed a 30,000 acre rubber plantation, which was later taken over by Firestone and Edison interests.

Mr. Marchbank's philanthropies have been as extensive and generous as his life has been full of adventure. He has made it a point to give help where help was

'HIS WEEK --- At Jefferson High

Classes

C. S. F.

Three members of the C. S. F. received their life membership pins in an assembly, this week. Presenting the udents with their awards was e student body president, John azzari.

Kathleen Day, Glen Goode and ugene McClain were the three embers to receive their pins is semester.

Next regular meeting of the society will be held this afternoon the C. S. F. room. In charge of e affair will be Carol Bryant.

At their last meeting, a round ble discussion was held by the embers to ascertain how they ight play a more important role school life. In charge of enterinment was Pat Hernan.

RAMATICS

Members of the dramatics class eserve a huge bouquet for fine erformance in their comedy one t play. The class presented the lay, "Comin' 'Round the Mountin," in a pay assembly, yesterday afternoon.

The setting was laid in Fishook ounty, called that because it was ne end of the line. Hit of the ow was Dynamite Ann, Fishok's sheriff, played by Melba rei.

ENIOR BALL

Today's report by the senior all committee indicates fine decrations and everything coming long in A-1 condition. The comittee guarantees the decorative cheme to be novel and the muic superb. "Better hurry and ask our one 'n only, if you already aven't; it's only two days away.

The committee has planned ecorations that are described as ovel and different than any other senior class has ever attempted.

LECTION

Nominations are over, speeches hrough, and now the crucial moent is here. Winners of the stulent body election will be anounced next week.

This is one of the most important times in Jefferson's life. Election of a student body president s a great thing. Among his abilties must be the qualities of true eadership.

From the looks of the halls in efferson, last week, the voters ad a hard time selecting their eaders.

Big signs and little signs were lastered all along every available space in the halls, telling of he different qualities of the candidates. With all the competition, Jeff is bound to have a prosperous year.

Campus Fashions

For that new summer outfit, a casual coat is just the thing. They are darling when topping a plaid skirt and rough-neck sweater. Casual coats come fashioned in pure wool in either fitted or box styles.

These darlings can be chosen in soft delicate colors, like powder blue or dusty rose. A stunning color is this new California beige.

This week's campus miss is a sweet little thing. She just hits five feet, has honey-colored hair and snappy green eyes. A smile that wins your friendship right away, and two little dimples add to her attractiveness.

Her favorite subject is dramatics and some day she hopes to have a career as a radio actress. Go to it, Dorothy, you really have something there!

Her ambition is to attend San Mateo junior college, where she will major in dramatics.

Among her other accomplishments, our little campus queen is quite a seamstress. Yes sir! She was attired in a darling canary yellow, shark skin jumper and a long sleeved white blouse, when she caught my eyes. When talking to her I found out that she made her outfit. Nice work.

So this week's Fashion bouquet goes to our one and only, Dorothy Kamm.

Sports

GOLF

Last week, Arthur Quirmbach, golf coach at Jefferson, predicted that the Jefferson tee men would probably place about third or fourth. Well, they did! The boys managed to capture third place out of all the Peninsula high schools.

The competition was held last week on the El Camino greens. Placing first and second were San Jose and Burlingame.

The four boys who brought honor to the school were: Bob Dyer, Peter Gilsenan, Serafina Ragni, and Ed Brisneo.

TRACK TEAM

At the beginning of the assembly, Friday, Coach John Mathews presented the boys of the track team with their awards:

Receiving blocks were: S. Lantz, high jump, 5' 9"; O. McGrath, 440 yard, 58.0; H. Steele, 880 yard, 2:0.5; and C. McAndrew, 440, in the unlimited division.

In the 110 division, 130 and 120 division the following boys got their blocks: J. VanKirk, high jump, 3' 10", and the broad jump; R. Bybee, 120 low hurdles, 15.3, 100 yard, 11.7; V. Barsi, 440; N. Kile, high hurdles, 14.9; F. Anderton, high hurdles and B. Brown, mile and 880 yards.

Other runners receiving stars were: E. Briseno, J. Andriola, J. Faulk, A. Chelone, F. Coen, A. Knight, R. Harmon, E. Bittancourt, and J. Parker.

Sophomores receiving their class of '43 awards were: S. Lantz, A. Chelone, V. Barsi, H. Steele, J. VanKirk, F. Coen, B. Bybee, B. Ekers, R. Capps, A. Olivieri.

Martin, manager of the team, received his chenille block, and Nelson was awarded his chenille bar.

BADMINTON

Jefferson's mixed doubles in badminton got off with a bang last week. Last Monday, the five courts were filled and competition was keen. Winners of the first set were: Falbo and J. Meidl. The scores were for time rather than game scores.

Winners of Wednesday's game were also Falbo and Meidl.

Playing in both games were: B. Wilmoth and J. Armanino; N. McDonald and E. Brisneo; A. Crossland and F. Josmine; S. Compagno and F. Coen; M. Andresen and B. Wright; A. Yorkman and J. Burford; P. Yorkman and G. James; J. Guisti and D. Johnson; G. Fontana and R. Capps; J. Blecher and A. Ferrans, and Sheridan and R. Shiffman.

Music

Dante Lembi's ever-popular Cowboy band scored another hit when they presented a program for the Italo American club, last Saturday evening.

For more than an hour the cowboys, complete with six guns and all, were hoot'n' it up. Popular cowboy songs and pieces were included on the program.

Friday evening, the members of the Indians of Rhythm will make their last appearance of the term at the Senior ball. The whole unit will be present to help the seniors celebrate their last big event in the old school house.

BAND

Cute as could be! In case you are a little bewildered as to what this is all about, it's those 28 little tots that played in Bayshore grammar school band, Friday.

Ranging in ages from 6 to 13 they played several band numbers for the students. Stealing the limelight were their five little majorettes. Their baton twirling was amazing for their ages.

ORCHESTRA

Members of the high school orchestra and chorus are busy practicing for the June graduation. Oscar Busch, musical instructor, today announced they will play for the high school graduation and possibly at the grammar school commencement.

Jeff Ties For Second Place

Jefferson Union high school placed well up in the baseball PAL league this semester. At the end of the league period, Jefferson and South San Francisco were tied for second and San Jose in place for first.

In Thursday's game with San Mateo, the local Indians lost their scalps in a tight game. After playing two extra innings they came out on the wrong end of a 3-1 score.

Losing of this game eliminates them from the final round of the Shaughnessy playoffs. This week San Jose and San Mateo will be competing for honors.

All through the game Herb Poddig's pitching was A-1, as usual. The boys' main draw-back in the game was their inability to hit in the pinches, stated their coach, Albert Biggs.

Box scores for the local team are:

COLMA MERCHANTS LOSE TO CREAMERY

In a loosely played game, the Colma Merchants nine was overwhelmed by the San Francisco Marshrose Creamery, 11-3, Sunday, on the Jefferson Union high school diamond.

Seven errors on the part of the Colma team hastened their downfall. They made seven hits. The Creamery boys garnered ten hits.

Percival, of Colma, was the most effective man at the plate for the locals, getting three safe bingles. The batteries were, for the creamery, Hines and Griffin; for Colma, Gianni and LeKoff. The game was under the direction of the Daly City WPA Recreation department.

The game was played under the supervision of the Daly City WPA recreation department.

CANDIDATES' STATEMENTS

Remi Sanders

Following is the remainder of the discussion of Remi Sanders candidacy to succeed himself on the high school board of trustees, written by himself for the information of the public.

Our Smith-Hughes class in carpentering is now constructing a shop building which will be completed for the opening of next term. In this building there will be classes in printing, bookbinding, metal work and arts and crafts. Plans are now completed for an addition of six rooms to accommodate the ever increasing enrollment of students, and the work of construction will begin this vacation. The cost of this addition will be met with funds now on hand and no debt will be incurred either for furniture or equipment. The High School Board of Trustees follows the policy of "Pay-As-You-Go,"—Always Living Within Its Budget.

Our cost per pupil in average daily attendance ranks among the lowest in California and graduates of our high school are admitted to the colleges and universities with the same high rating as the graduates of schools many times our size.

Thus Jefferson's standing from the point of view of recreation facilities, scholastic rating, and economical business administration is the envy of other school districts far and wide and has won the commendation of the State Department of Education at Sacramento.

In cooperation with the Federal Government and the State Government our high school serves each morning a free lunch to all students who are underweight. This system was first suggested to the government authorities by the Principal of our high school, and has met with hearty commendation from both Washington and Sacramento. Surplus food products such as fruits—fresh, dried and canned, ham, bacon, eggs and butter (in season), flour—both Graham and white, oatmeal, cornmeal, rice, beans and vegetables are furnished by the Federal Government, and cooks and helpers are furnished both by WPA and SRA in cooperation with the San Mateo County Unemployment Relief Committee. Thus these lunches are furnished at no cost to the taxpayers of the district, and with great personal benefit to the students. At the end of the first month the underweight boys had gained 2.7 pounds each and the underweight girls had gained 2 pounds each. In this activity Jefferson Union High School is recognized as being outstanding.

As a father of two daughters, one just graduated from the high school, and now in college, and another soon to be in high school, I believe that we should continue to run our high school solely in the interests of our boys and girls and in the interests of adults who can attend the night classes in such subjects as Americanization, Shorthand, Typewriting, Bookkeeping, etc.

I pledge you that if elected I will continue to support the policies that have brought about our high school's marvelous development—something of which we are justly proud.

Peter Markovich

When the people of the Jefferson Union high school district go to the polls, Friday, to elect their representative to the high school board of trustees, they will find my name on the ballot. Naturally, therefore, I should like to present my aims and objectives concerning the office of trustee.

I think it important that a member of the board should consider the needs of the high school district as a whole, representing those students and parents who reside in Brisbane, Bayshore City, Sharp Park, Lawndale, Pedro Point, Rockaway Beach, Colma and Daly City. Our educational system should be administered with consideration for all concerned.

It is important that the trustee understand modern educational problems and appreciates the outlook and needs of the modern student as well as knowing, from experience, the high standards of present day education. This is necessary for a progressive administration of school problems.

As a former student of Jefferson Union high school and a college graduate, and through close association with students, parents, faculty members and school administration in my 28 years in Daly City, I believe I have the necessary qualifications to successfully discharge the duties of a high school trustee. I would appreciate the opportunity to demonstrate to the voters of the high school district an efficient and intelligent term of office—always keeping an open ear to the suggestions, requests and needs of any person interested in the operation of the high school unit.

Myrtle Gfroerer Bride Of J. MacDonald

Miss Myrtle Gfroerer, 139 Vista Grande avenue, became the bride of Jack MacDonald, 155 Vista Grande avenue, Saturday, May 24, at Reno.

Both young people are graduates of Jefferson Union high school. MacDonald is an employee of Kraft Cheese company.

The couple are at present living in San Francisco. Myrtle is the daughter of Mr. and Mrs. Al Gfroerer. Parents of MacDonald are Mr. and Mrs. Fred MacDonald. All are of Daly City.

Small Child Swallows Argentine Ant Poison

Smallest victim of accidents requiring emergency treatment over the holidays was Arlene Werry, 20 months, 406 Niantic street. She swallowed some Argentine ant poison, Friday.

The local police department was called and Police Chief James G. Reardon took the child to Junipero Serra hospital, where she was treated. She was not seriously affected by her unusual diet.

Mrs. Tom Beeson, 6202 Mission street, has been confined to her home with an injured foot. She is the wife of Tom Beeson, proprietor of Beeson Cleaners. It is expected that she will return to work toward the latter part of this week.

Testing Tires

A machine has been invented to test the durability of automobile tires by subjecting samples of their material to twice the number of impacts to which the tires would be subjected in use.

Miss Prziborowski Claimed At Altar

As the organ softly played the traditional wedding march Miss Violet Prziborowski, 298 Vista Grande avenue, walked down the aisle of Trinity church, San Francisco, on the arm of her father Henry Prziborowski, Sunday evening. Beautifully attired in a white organza wedding gown with Chantilly lace inset, she became the bride of Ernest Nathan, San Francisco. A Juliet cap of pearls nestled in her curls and her bouquet was a lovely spray of orchids and lillies of the valley.

Her cousin, Mildred Bartosiewski, acted as maid-of-honor and wore a gown of blue organza, with a matching head piece. Her bouquet was roses and sweet peas.

The three bridesmaids, Miss Elaine Hansen, Miss Edna Lowden and Mrs. Betty Swope, were all dressed alike in light pink organza gowns trimmed with lace and velvet ribbon. They carried bouquets of mixed flowers.

Mother of the bride was dressed in a lovely taffeta evening dress of soldier blue. On her shoulder she wore a dainty corsage of gardenias.

Best man at the ceremony was Joseph Hildred. Jerry Buckley, James O'Rourke, and A. Brown were the ushers.

After the ceremony, performed by Reverend Orin Gudmensen, a reception was held at the home of the bride's parents. Over eighty guests attended to bestow congratulations upon the bride and groom.

Mr. and Mrs. Albert Pitschka, Lansing, Michigan, and Miss Lillian Stark, Muskegon, Michigan, motored out here to attend the wedding of their niece.

The newly-weds will make their home in San Francisco.

needed most. A cold statement of the hundreds of thousands of dollars given to charities and to individuals cannot depict the great good his aid has done.

Asked about the future, Mr. Marchbank's eyes fired up as bright as those of one of the hundreds of children to whom he gives generous Christmas gifts each year. He said, "The only reason I'm giving you this story now is to tell young American men that this great land always has been and always will be a land of opportunity. Happiness and rich rewards are in store for those young fellows who have the energy and courage to work for accomplishment. Give them my best wishes!"

Napa Fair Honors Daly City Band

The Daly City band has again received an invitation to act as the official band for the Napa county fair. The band will appear there July 26 and 27 and will lead the "Pageant of Gold" parade, according to George E. Brenner, bandmaster.

Other performances will be given by the local music group at the horse show and at many other fair activities. A special band concert will be presented.

Along with the 50 pieces of the band will be five of Miss Rose's majorettes, who will be under the direction of Miss Rose. Tipton Banks will be the official drum major of the band during the parades.

The fair management has arranged this year to provide housing and eating facilities for the band in the form of a huge tent, with army cots and a cook house, similar to that which "a regular travelling circus provides for its employees," Brenner said.

FIFTH GRADE

The fifth grade has just finished a unit on "Transportation." One of the many things learned was that the discovery of the New World made men want better and faster ships. Faster transportation brought people closer together, and world trade progressed and made people and countries dependent upon one another.

The children gained a better understanding of the effect that fast transportation has on their lives and the lives of other people, stated their teacher.

SIXTH GRADE

Pupils of the sixth grade had a book parade last week. They illustrated and told something about some of their favorite characters. Booklets, with a short summary of the stories read and a short biography of the author or poet, were made by the class. The students decorated the covers of their booklets.

Narrators of the class were Dominic Whiting, James Aveggio, Richard Remillongo and Thomas Tromberg.

A demonstration on Greek art and culture was presented by the students. Outstanding models and miniatures of Greek architecture and beauty were illustrated on the classroom bulletin board.

"Ice Folliettes" Perform At Winterland

Moonlight Vision Opens Ice Follies

Gliding smoothly over a glistening sheet of ice under vari-hued lights, 24 Ice Folliettes open the all-new Ice Follies of 1941 with an elaborate production number, named Moonlight Vision.

Grace and beauty mark this episode of the great rink extravaganza, which is playing every night at Winterland, in San Francisco.

Costumed in semi-transparent hoop skirts, the number has a modern atmosphere and yet is an ideal opening number built around flowing rhythm and easy grace. Using large meteoriological balloons, the girls cover the entire ice surface with delicate patterns and thrilling formations as the Moonlight Vision progresses. It is skated to the music of "Waltzing with a Moonbeam," written especially for Ice Follies of 1941 by Stanley Cowan and Bobby Worth, youthful Hollywood song writers.

Following Moonlight Vision, but remaining an integral part of the number, is Bobby Widholm, the clever young comedian who does a number of satirical figure skating as Diana of the Moonbeams.

When Ice Follies of 1941 had its premiere in Hollywood early last Fall the nation's foremost critics in the film capitol hailed Moonlight Vision as the finest number ever seen on ice.
